

TRAKOL CB/SC 15W/40

APPLICATION

Mineral multi-grade motor oil for light to medium duty non-turbocharged diesels and petrol engines. Recommended for older engine models.

ADVANTAGES

- Ensures easy startup of the engine in winter
- Good anti-oxidation properties
- Guarantees stability of lubrication in a wide temperature range

STANDARDS, SPECIFICATIONS

API: CB/SC
SAE: 15W/40

Parameters	TRAKOL CB/SC 15W/40
Kinematic viscosity at. 100°C, [mm ² /s]	14.1
Viscosity index	120
Flash point, [°C]	230
Pour point, [°C]	-25
Basic number, [mg KOH/g]	4.0
Notice: The above parameter values are typical. The actual values are to be found in the laboratory report attached to each batch of the product.	

ADDITIONAL INFORMATION

Chemnaft oils need to be stored in steel or polyethylene containers protecting the product from damp and mechanical impurities. Given the available knowledge, the product does not have an adverse impact on humans, if used properly. Safety information is to be found in the current material safety data sheet.
